Pint-Sized Planters

What do plants need to survive? Why are plants important? In this springtime program we will explore the needs of plants, make our very own seed starters, and become little scientists as we take a closer look for pollinators

Date & Time: Friday March 30th 10:00 - 11:30am

Ages: All ages

Cost: \$3

Barcode: #214176

Tree-mendous Trees

Come join us for this tree-mendous program where you will get to learn all about trees. We will learn what makes trees so unique, how we use them in our everyday lives, and even how to identify some of our common trees that can be found in your backyard!

Date & Time: Sunday April 29th 10am - 12pm

Ages: 4 years and up

Cost: \$4
